

AED STRETCHER MAT (ADULT) WITH FAST RESPONSE KIT ATTACHED

PRODUCT OVERVIEW

AED Stretcher Mat (Adult) with attached Fast Response Kit is a compact emergency response solution designed for rapid patient evacuation and immediate first aid support. It combines an adult evacuation stretcher mat with an integrated fast response kit, giving responders quick access to essential rescue tools during medical emergencies. Lightweight, portable, and easy to deploy, it is ideal for workplaces, schools, public spaces, and healthcare environments to improve emergency readiness and response efficiency.
